Advisory by Land Transport Authority:
(6 June 2014)

We would like to inform you that the Land Transport Authority (LTA) will be implementing a Mandatory Give-Way to Bus (MGWTB) at Bus Stop (B01 and B02) along Stevens Road.

The MGWTB Scheme is similar conceptually to a zebra crossing, except that it is meant for buses. When nearing a bus stop under this scheme, motorists will first see triangular give way markings on the road. These markings indicate that motorists approaching these bus stops need to slow down and watch in case buses are pulling out of the bus bay. Motorists come to a complete stop before the give way line and give way to buses exiting the bus bay at the location. Motorists may continue their journey once the bus has successfully exited the bus bay and no other buses are pulling out from the bus bay.

LTA has appointed Highway International Private Limited to carry out the enhancement works for two days from 9 June 2014 till 10 June 2014 between 9.30am to 4.30pm.

We will display directional and information signage in advance of the lane closure area to inform and guide motorists. We have also engaged traffic marshals to direct the traffic. Motorists are advised to drive cautiously when approaching our work area.
